

McMinn County Amateur Radio Club (MCARC)

Technician Class FCC License Preparation (First License)

No fee for the class, study materials available for purchase

Beginning August 23, 2018

Tune in and turn on to all the excitement that awaits you when you earn your first ham radio license, Technician Class.

At the end of this 6 week, one evening per week training, and individual studying, you will be prepared to take your license examination. Upon successful passing of the exam, you will be issued your Ham technician license by the FCC.

No Morse Code required!
